If you don't mind divulging this information, it would be helpful to us in finding you a suitable accommodation.) The cost of our Tyler Place vacation is of critical____, significant____, moderate____, minor____ importance to us.

* In requesting particular vacation weeks or accommodations, please keep in mind the multiplier factor. All other things being equal, we have 10 times the chance of finding space for a guest to whom 30 accommodations are acceptable, as against a guest who lists only three. And if this first guest has four available vacation weeks, and the second only puts down one, our reservation staff has 40 times the chance of being able to find space for that first guest when compared with the other. Therefore, please be as flexible in both respects (accommodation and dates) as you can be.
